NO.	Quantity(pcs)	Unit Price	set up	E-test tooling	Shipping cost	Total Amount	Lead Time(days)
1	25	US\$0.60	US\$600.00	free fly probe	US\$40.00	US\$655.00	17

Commons:the shipping cost is ship to USA

The shipping fee is DHL or UPS cost to your door,use our account !

We normally use Fly probe E-Test for the prototypes to save cost for you, but if you send a repeat order with prototype QTY we have to charge again fly probe cost. If you don't want to pay in repeat orders for E-Test, then we have to charge one time with E-Test tooling to built an adapter for testing.

Trading Terms:

Door to Door

Quality Standard:

IPC Class II

Payment Terms:

T/T in advance

Terms and Condition:

1. Quotation is valid for 14 days on any gold surface finishing and 21 days on other finishings.
2. If no repeat order within 12 months, the related Etest fixture will be scrapped without further notice.
